Essex Primary Care Workforce by Ethnicity Roles within Primary Care by Ethnicity – January 2024

From March 2023, disclosure control has been applied to these headcount figures. This is as a result of the introduction of new quarterly ethnicity by job role headcounts which, if used in conjunction with unrounded figures in this table, could risk the identification of individuals. All ethnic breakdown values between 1 and 7 have been rounded to 5, with all other values rounded to the nearest 5.
